Services Payment Policy

Thank you for selecting Heartland Health to maintain good health for your family. The following is a brief explanation of our payment policies:

- * Payments for all homeopathic services are due at the time of service.
- * Most insurance companies, including Medicare & Medicaid, do not cover homeopathic services. Questions regarding this should be directed to your insurance carriers prior to your appointment, so that you are aware of any financial obligations. Note that we are qualified homeopaths, not medical doctors.

Remedy Payment Options

There are thousands of remedies and potencies to select from. Because this decision is usually made after the consultation appointment, the cost of the remedy is not known until the order is actually placed by your homeopath.

Preferred- Credit Card

- A credit/debit card is the preferred payment plan because of the following reasons:
- Faster mailing service from the pharmacy. No delay caused by mail time for a check.
- Convenient
- The Pharmacy website is a secure website.

I do wish to register my credit card with Heartland Health, and have read & understand the policy described above.
